

REMARKS

Claims 1-11 are pending in this application. By this Amendment, claims 1-11 are amended. No new matter is added.

I. Telephone Conference

Applicant appreciates the courtesies shown to Applicant's representative by Examiner Kwok in a June 6, 2007 telephone conference. During the telephone conference, the Examiner indicated that the phrase "the sound pressure" in line 22 of claim 1 and line 21 of claim 2 has proper antecedent basis. Further, the Examiner indicated with respect to claims 6 and 8-10, the word "as" in line 2 of these claims is appropriate.

II. Claim Objections

The Quayle Action objects to claims 1-11. Specifically, claims 1 and 2 are objected to for alleged problems with antecedent basis. Claims 6 and 8-10 are objected to because the Office Action indicates that the word "as" should be deleted.

As the claims have been amended to correct any alleged errors with antecedent basis in claims 1 and 2, withdrawal of the objection to claims 1 and 2 is respectfully requested. Further, as discussed above, the use of the word "as" in claims 6 and 8-10 is appropriate. Finally, claims 1-11 have also been amended for appropriate format.

For at least these reasons, withdrawal the objection to claims 1-11 is respectfully requested.

III. Conclusion

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-11 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
